MINUTES

Meeting called to order@ 4:07 on 18 OCT 2023

Roll Call: Giberti, Barrett, Burrows

Others: Mary Labonte, Jay Miller – Sterling Golf Management.

Old Business: Minutes of 17 Aug 2023 were accepted 3-0-0.

New Business: Discussion ensued with Mary Labonte regarding the steps she has taken thus far on her pursuit of becoming a concessioner for Sterling Golf at LHGC.

She has thus far contacted and had inspections from some of the relevant departments with no negative feedback. Those so far are Fire Department and Board of Health.

Other departments must be contacted and she is in the process.

As some work has to be done to accommodate this concession she has contacted a builder and electrician to review the improvements necessary.

An agreement will be worked out between Sterling Golf Management and the Concessioner regarding all details of hours, payments, inspections, etc.

It was agreed that Sterling should begin the process from their end now as it will probably be subject to changes.

Jay was questioned about the Greens and their speed. A machine had been brought in to reduce the thatch in the greens but the stemp is only up to 7.5 with work over the winter he expects to raise the stemp to 9.5 in the spring. Further work will be done to reduce more thatch.

He also said that they were going to re do both double tees 4 & 13 as well as 5 & 14.

Meeting was adjourned at 4:56. A motion was made by George second by Jeff to adjourn.
